Sir:

In reply to yours of the 26th ultimo, I would state that the Hon. Secretary of the Interior suggests that for the better protection of the rights acquired by Americans before October 20. 1899 that a list of the American mining locations made before that date be prepared for the purpose of making a record of their several mining locations in the Glacier creek district and to ascertain the mining and water rights acquired in that mining district before October 20. 1899 together with the names of the claimants
