

Digitized Alaska Newspapers Available On Chronicling America

Chronicling America homepage: chroniclingamerica.loc.gov

Chronicling America is the text-searchable FREE database for digitized historical newspapers run by the Library of Congress. As part of the National Digital Newspaper Program (NEH grant) the following titles (100,000 pages) will become available for the public by August 2018 – they will be uploaded in monthly 10,000 page batches. As they are added this list will be updated. Contact Leah or Anastasia with any questions. Patrons can follow batch updates by visiting the blog at akdnp.wordpress.com
