DIVISION S. P. AND B.
Form No. 166.
Ed. 2-25-1902—5,000.

(CIRCULAR LETTER.)

THE ISSUE, TRANSFER, ETC., OF CHECK BOOKS.

Treasury Department,

OFFICE OF THE SECRETARY.

Washington, D. C., March 20, 1902.

The official issuing this book will keep a complete record of its size, character, the serial numbers of its checks, and when and to whom issued, and of the transfer or return to him of any of the checks.

The official receiving this book should receipt for it to the official issuing it, and when he ceases to act in the capacity of disbursing officer, or agent, he should turn the book over to his successor if it contains unused checks, retain the stubs with his official records, take a receipt in duplicate for the unused checks transferred, describing them by serial numbers, and transmit one receipt to the official by whom the book was issued; or, if there be no successor, remove the stubs and return the book to the office from which issued with a letter giving the numbers of the unused checks, first counting them to see that none are missing.

Should a disbursing officer, or agent, make an erasure or alteration of any of his checks, he should certify to the correctness of such erasure or alteration across the face of the check.

Mutilated or spoiled checks should be forwarded monthly to the Treasurer or Assistant Treasurer by whom issued, for preservation and future reference, and the checks should be described in a letter of transmittal.

The greatest care should be exercised in the custody of check books for the interests of all concerned. KEEP UNDER LOCK AND KEY WHEN NOT IN USE.

L. M. Shaw

Secretary.
