Department of the Interior

District of Alaska

Office of the Executive

Sitka, Alaska, July 25th, 1905.

Mr. Arthur F. Francis,

Sec'y Trans-Mississippi Commercial Congress,

Cripple Creek, Colorado.

My Dear Sir:-

I have the honor to acknowledge the receipt of your communication of the 9th instant. I have appointed the following persons as delegates and have written them to that effect: C. W. Young, Juneau; Geo. A. Brackett, Skagway; E. F. Willard, Valdez; John Stedman, Ketchikan; L. A. Babcock Kasaan; H. W. Mellen, Coppermount; John N. Tisdale, Snettisham; Isaac J. Tomlinson, Crisdall; W. C. Boyd, Douglas; Mr. Robert Willis, Treadwell.

They are truly representative Alaskans, and I hope that the most of them will be able to attend and participate in the exercises.

As I expect to be in Seattle August 3rd, I shall see the most of them on my way thither and if I find that any of them cannot attend I shall take the liberty of naming another person in his place, as I know you desire to have as full an attendance as possible. I should like very much myself to be present and say a few words in regard to Alaska.

Hon. James M. ...  
The U.S. ...  
Juneau  
Sitka  
Sir: Your favor  
Committee  
Juneau  
to the Honorable  
ed June 25th  
I some  
to residing  
office on this

A.F.F. 48.

It is my purpose, however, to return to Alaska as soon as possible after meeting Assistant Secretary Ryan there in regard to the St. Louis Exhibition, for I expect that the Senatorial Committee which is now in the District inquiring into all matters will by that time be in Sitka, and it is very important that I shall be here at that time and go over many things with them concerning our welfare, before they leave the District.

You will see that the appointments are nearly all from Southeastern Alaska. This is owing to the difficulty of communicating in time with the places which are distant; but, doubtless, Nome and other places will be represented at the meeting by those who happen to be in Seattle.

Yours respectfully,

*Wm. G. Brady*

Governor Brady,

The Lemman Hanford Co. vouchers were returned without signatures as it seems the pay did not reach them until the 7th instant. The goods were shipped the 20th of June and on the 27th I wrote you at Juneau to pay the bill. I considered it paid and so made out the vouchers and as they had not been returned I gave you another to get their signature. If it has not been signed add 18.50 dollars to the amount deposited and return the amount and vouchers to me. In other words if that voucher is not complete deposit \$203.10 return the account and vouchers to me and sign the enclosed which I will fill up leaving that out.

Under that case it will have to go in the next quarter altho the purchase was made in the last it only makes a new account that is all as they have been received and paid for.

Respectfully,

C. Patton

My dear Sir:

Yours of August 15th, directed to me at Planters Hotel was forwarded to me at Seattle but I have delayed answering until now. I thank you for your kind offer to loan us two real Alaska foxes for our exhibit at St. Louis. As they are right at the grounds I think a little live stock of the wild order would prove attractive, though of course we shall not be able to bring, whales walrus, polars, or any of the mastodons whose tracks have been reported north of where you have been on the Koyukuk. We want to have a good exhibit. You shall hear from us later.

Sir:

I have the honor to acknowledge the receipt of a letter from your Department dated June 13 wherein you inform me that the Minister of the Netherlands requests to be informed of the laws in Alaska governing life-insurance companies and burial-fund associations.

In the act of Congress approved June 6, 1900 which is our civil code, chapter twenty-four relates to the incorporation of cemeteries and chapter thirty-six to insurance. We have no other provisions.

Respectfully yours,

*John G. Brady*  
Governor of Alaska.

The Honorable

The Secretary of State,

Washington, D. C.

Sir:

In answer to letter of July 29, in regard to a request of the Charge d' Affairs of Belgium to be informed as to the laws in force in Alaska governing elections etc., allow me to state that Congress has not allowed us a delegate nor has it provided for the election of one.

Incorporated towns, under the act of Congress approved June 6th, 1900, can hold elections as will be seen in chapter twenty of said act.

Under another cover I mail to your office a copy of my last annual report, on page one hundred eighty-five of which you see how Juneau provides for her elections.

Respectfully yours,

*John G. Brady*  
 Governor of Alaska.

You can expect cities to grow up along the coast west of Mt. St. Elias. If the prospects for oil and coal near Combs roller's bay come up to expectations you may look for a new city. Valdez is almost certain to be an important center for a railway must be built across Alaska to the Yukon. Recent mining developments near Kupuk & Ketchikan make both of these places more important. At present there is no one under sentence of death in the jails of Alaska. Most prisoners who are sentenced for any time over a year are taken to the government prison on Mc Neil's Island near Tacoma: There are quite a number of them there from Alaska - John Hanson is one of them, who was sentenced for life for the killing of Mr. Horton and his wife. The history of his case is very strange. No doubt if you would send him tracts he might do good with them in that prison.

Sir:-

Answering your letter of October 3rd, I have to advise that there have been no deposits or mines of salt discovered in Alaska at any time, and there is absolutely none produced in this District. There is, however, a great deal of it used in the canneries and salmon salteries, but the amount I am not able to say.

Very respectfully,

Dear Sir:

I have just written  
to U.S. District Attorney Payne at Juneau  
and sent him your letter. I urged him  
to get after those two men if he thinks  
that he can make a case against them.  
He may send an officer over there.  
Be sure about your witness against them.  
You have not paid for those police goods  
which I forgot for you on your order. If  
when you get your order refund me the amount  
I believe that I gave you the bill with them.

Yours respectfully  
John S. Brady

Dear Sir:

Have your Senator  
 or Congressman furnish you with the govern-  
 ment reports on Alaska, agricultural, geo-  
 logical and military, and upon domestic rein-  
 deer. They are all valuable and will tell  
 you much of Alaska. If you can not get  
 them look for them in the nearest library.  
 The Seattle daily papers will keep you well  
 posted on current events in Alaska. A copy  
 of my last annual report was mailed to  
 you some days ago. I enclose a copy of the  
 Homestead Laws for Alaska.

Respectfully yours  
 John B. Brady  
 Governor of Alaska.

Dear Sir:

Enclosed please find a communication which I received from  
 Wm. Yanert of Fort Yukon. It is pretty straight testimony on a  
 subject that you have at heart and it may be possible for you to  
 make good use of it. I do not know Mr. Yanert but his letter will  
 cause me to hunt him up if I go that way next season. I am send-  
 ing him a copy of recent regulations. You had better send me one  
 hundred copies if they can be spared for I send two out by this  
 mail. I notice the game laws in my report for this year. I am  
 with you but do not like the part of allowing men to be arrested  
 without warrant.

Respectfully yours,

Governor of Alaska.
