Sup't Oregon State Insane Asylum,
Salem, Oregon.

Dear Sir;-

I beg to acknowledge receipt of yours of the 12th inst., enclosing final report and vouchers for the care and keeping of the Alaska Insane. The word 'final' strikes me a little harshly for our relations since we have known each other have been very pleasant, and I have always been very free and glad to testify as to the splendid way in which you have carried out your part of the contract for the care and keeping of our Insane who have been sent to you. I am sorry that I could not stop and see you as I passed through Salem a short time ago from San Francisco to Portland. I hope you and your family may find it convenient to visit Alaska this season and if so pray let us know in advance so that we shall be sure to meet you.

Very respectfully yours,

John W. Baring
Governor of Alaska.

Dear Sir:-

I have the honor to acknowledge the receipt of your letter of the 17th inst. in relation to the proposed purchase of the Alaska Insane Asylum. The word "final" in your letter is somewhat misleading as it is not intended to signify that the purchase is final, but that the purchase is now being made. I am sorry that I could not stop at Salem a short time ago from San Francisco and your family may find it convenient and if so pray let us know in advance when we may meet you.

Very respectfully,

Dear Sir:

In early to some of January 1901 ...
as I can interpret the sentiment in Alaska, nearly every voter would
prefer to have the ... offices elected to their office at the ballot
boxes instead of by the Legislature. As the time Alaska becomes a
State we hope that the constitution will have been changed so that
we can vote for senators.

Respectfully yours,

Dear Sir:

Yours of Jan. 31st arrived here the other day. You are right about the appointment of Charles Gunnick, who was appointed police man for your village. I am glad to learn that he is rendering good service and is so satisfactory to you. J. J. Coffey was appointed for the village of Eek, and as the Department at Washington is very desirous to cut down the police force I suppose that he will have to be dismissed on account of his services being unnecessary. However, I shall notify him in due time. I am glad that you are having a good attendance at your school and that Chief Fox has come out upon the right side and given up his old customs. It is very hard for the old people to do so but they are gradually coming around, and I feel sure that will all be better off.

Very respectfully yours,

John S. Brady
 Governor of Alaska.

Enclosed please find a copy of a letter from Mr. J. F. Arnold

as reported in the enclosed clipping which he sent me.

Will you please take this matter up and communicate with

the jurisdiction of either court.

It is awful for parents to feel that such a thing has happen-
ed and that nothing is being done to unravel the mystery.

My dear Sir:

I have been ^{more} away from home of late on account of my work as Executive Commissioner for the Alaska Exhibit. I found yours of Feb 24th enclosing a letter from Congressman E. Hill. I know Mr. Hill and am indebted to him for several courtesies. But, my dear Sir, I am helpless to do a thing for you in the direction which you indicate. Judge Wickerham has that matter within his gift & I dare say he has at least three Washington politicians for every position which he commands and he is not forgetting that there is a hereafter in the State of Washington. I am sorry that I am so helpless in securing what you desire.

The contract in triplicate was sent here for the governor's signature and then forwarded to the Honorable Secretary of the Interior and was then probably sent to the governor at St. Louis with the first report of which I have not a copy as the governor was here for such a short time on his return and there was so much requiring attention that the papers he brought with him have not yet been filed.

I have written the Sanitarium Co. for a copy of the contract as it will probably be some time before the governor returns.
