Mellakatta Alaska 12 May 1906

The Hon. Governor of Alaska
Sitka

Dear Sir,

I regret the delay which has occurred in returning the enclosed Vouchers. The cause of the delay is due to the absence from the village of the station, Joseph Howard, who had to sign the vouchers. At the end of the quarter which is covered by the vouchers, he was superseded in his duties and left home for a fishing station. He returned to day. The station who has taken the place of Joseph Howard from the beginning of the quarter is Robert Ridley as I have previously notified you

Yours very respectfully
W. Dimean
