Madam:-

The roof of both the office and house which I occupy under lease from you are leaking and in need of repair. The lease stipulates that all necessary repairs shall be at your charge. Please advise me whether I can have these made and deducted from your next quarter's rent.

The building occupied by me as a residence became untenable during the winter by reason of the unsanitary condition of the plumbing in the bathroom upstairs. To remedy this it became necessary to put in a ventilating pipe immediately and this was done upon the advice of the plumber, at a cost of \$47.45. This charge I take it is also one that should be born by you.

Very respectfully,

Governor of Alaska.

Sir:-

I have the honor to acknowledge receipt of your communication of the 20th ultimo requesting me to appoint delegates to attend the Congress of the American Prison Association which is to meet in your city beginning November 14th, 1908.

Owing to the travel necessary for attendance at this Congress and the fact that our long term prisoners are confined at McNeil's Island in the State of Washington, I am afraid that I will be unable to secure the attendance of a delegate to this Congress.

Until such time as we have a larger population and our prisoners become a matter of more concern than they now are, it will be difficult, if not impossible, to stimulate the necessary interest to secure the attendance at a congress or convention for considering prison affairs.

Very respectfully,

Governor of Alaska.

Sir:-

I have to acknowledge receipt of your letter of the 18th ultimo regarding the disposition of the U.S. Court House at Nome. This is a matter over which I have no control, and the court house will probably be disposed of through the United States Marshal at Nome. If your society desires this building, it should apply for lease or purchase to the Marshal.

If I could aid you in any way I would be very glad to do so, as I have a keen interest in the welfare of the Pioneers of Alaska and shall hold myself at their service at all times.

Sirs:-

In compliance with
the (Gov) Bill for Alaska
I forward herewith
Congress.

July 18th, 1908.

Mr. W. P. Colwell,
Secretary, American Medical Assn.,
103 Dearborn Ave., Chicago, Ills.

Sir:-

Referring to your communication of the 3rd instant regarding the medical practice act for Alaska, I have to state that such an act passed the House of Representatives at Washington last winter on an omnibus territories bill. The portion of the bill regarding the medical practice in Alaska was stricken out upon objection of Senator Hopkins of Illinois, and the bill subsequently passed the Senate with this part omitted, and is now on the Speaker's table ready for conference upon the re-convening of Congress. Unless the medical practice portion is restored in conference we will have no act relating to this matter. I am hopeful, however, that this can be restored in conference and will become a law sometime during this winter.

Respectfully,

W. B. Hugg
Governor of Alaska.
